

GUARANTEE OF PACKAGING MATERIALS- POLYETHYLENE BAGS, FOR FOOD PACKAGING

Pursuant to the United States Department of Agriculture's new rule, effective July 17, 1984, pertaining to guarantees consistent with the Food and Drug Administration's regulations, 21 Code of regulations 7.12 and 7.13, Tri-Cor Flexible Packaging Inc. offers the attached guarantee concomitant with the Federal Food, Drug and Cosmetic Act of 1938 in respect to packaging materials.

The undersigned does guarantee that the Polyethylene films and bags that you have received, or will receive, from Tri-Cor Flexible Packaging Inc., meet all of the standards as described under Sub Part F, Section 177.1520, entitled "Olefin Polymers" under condition of use as listed in the table of 2.1 of the Food Additives Amendment of 1958 to the Food, Drug and Cosmetic Act of 1938.

These films and bags are chemically acceptable for use below 65 degrees centigrade as packaging material in direct contact with meat or poultry food products prepared under inspection of the USDA'S, Food Safety and Inspection Service.
