

# Setting New Standards for PACKAGING PERFORMANCE

## Introducing **NEW!**

## **VELCRO® brand PRESS-LOK™ Closures**

- Twin interlocking, hook-to-hook press closure system
- Easy aligning; hooks engage without precise line up
- Secure closure with great burst strength
- Heat sealable to most PE Flexible Films
- Audible click, hear it open and close
- Intergrates into existing pouching equipment
- Works in hot, cold, and even frozen environments
- FDA Compliant
- Consumer friendly, secure, easy to close

**The leader in  
Hook & Loop  
Fasteners**
